

Nadia Nisa

UI/UX DESIGNER

Email: nadisa9898@gmail.com • Contact no: +880 1628 225 699 • Address: Dhaka, Bangladesh

Linkdin Website Behance Dribble

Career Objective

Skilled and experienced UI/UX Designer with a solid background in designing user-friendly interfaces for both web applications and websites. Proven expertise in user research, wireframing, prototyping, and creating responsive, visually appealing designs that enhance usability. Adept at collaborating with cross-functional teams in a software company environment to deliver impactful digital products. Seeking to contribute creativity, design thinking, and technical knowledge to a team focused on innovation and user-centric solutions.

Working Experience

UI/UX Designer

Redlime Solutions [January 2025 - Present]

Dhaka, Bangladesh

www.redlimesolutions.com

- Contributed to end-to-end UI/UX design for multiple SaaS and healthcare platforms, improving usability, accessibility, and overall user experience. Worked closely with product, development, and QA teams to deliver user-centered digital solutions and maintain design consistency through design systems and reusable components. Gained hands-on experience in real-world product design, strengthening skills in wireframing, prototyping, and problem-solving.
- Developed strong collaboration and communication skills by working in a cross-functional team environment. Improved ability to understand business requirements, user needs, and translate them into effective design solutions. Built a solid foundation in UX thinking, design processes, and professional workflow while contributing to impactful company projects.
- Collaborated with stakeholders, developers, and QA teams to refine design solutions, improve usability, and ensure consistency across digital products.
